Under this agreement for 2014
Glenmorgan State School will receive $5,000*

This funding will be used to

- Ensure all Year 3 students reach NMS in reading and writing
- Develop Evidence Based Plans for those students at risk of not achieving NMS in reading and writing
- Increase the proportion of Year 3 and 5 students in the U2B for reading and writing to 50% by 2015

Our strategy will be to

- Collect and analyse student data over a five weekly cycle to adjust curriculum, resources and pedagogy.
- Enrol Year 5 students in the online reading program Project 600, to be explicitly taught reading and comprehension skills through the SCORE method.
- Employ a teacher and utilise teacher-aides to explicitly teach reading and writing skills to small groups and individuals.
- Engage Pedagogical Coach to develop teacher-aide capabilities to implement individual learning goals.

Evidence:

Our school will improve student outcomes by

- Employing the Support Teacher: Literacy and Numeracy (STLaN) to work with individual/small groups of students to provide intensive instruction based on their individualised learning goals and specific learning strategies. $5000

- Implementing daily focused reading blocks where teachers and teacher-aides will explicitly teach reading strategies and comprehension skills to students using CARS and STARS program.

- Participating in Project 600 for Year 5 students to be explicitly taught SCORE reading strategies and increase achievement in the U2B.
- Utilising the Early Start materials to assess students on entry to prep and establish base line data to inform teaching and develop Evidence Based Plans.

- Engaging the Cluster Pedagogical Coach to work with teacher-aides to develop their capabilities in the explicit teaching of reading and writing.

- Employing a Prep teacher-aide to work with the Pre-Prep students at our local C&K Kindergarten, and make weekly visits in Semester Two to ensure these students are prepared to start school.

$800**
